

Pack 350 Annual Cub Scout Cake Bake 2012

The Cake Bake rules are as follows:

1. Cakes must be made totally by the cub and father, uncle, grandfather, cousin, neighbor or another male helper, etc. NO FEMALE ASSISTANCE ALLOWED. If your father is unable to come to the pack meeting, bring your cake anyway.
2. All cakes must be baked at home prior to the meeting. It may be as large or small as you wish and can be either sheet or layer cake.
3. Boxed mixes may be used or you may bake from scratch. Decorations may or may not be edible – it's up to you. We've eliminated the Best Tasting category so you may use any decorations you wish.
4. You must return the CERTIFICATE OF WORKMANSHIP (below) with your cake entry. Have your mom or kitchen supervisor fill it out, verifying that she did not help out in any way and that the kitchen was cleaned up afterwards.
5. All boys will receive a certificate for participation.

Cub Scout Pack 350

Certificate of Workmanship

2012 Cub Scout Cake Bake

Cub Scout name

I hereby certify to all members of Cub Scout Pack 350 that the above named Cub Scout baked his cake completely without my help, or the help of any other female. I also certify that my kitchen was cleaned after he was done, better than it was before the cake was baked! This included the countertops, the floors and the walls and ceiling (yikes!). Also all pans, dishes and utensils used in the baking process were cleaned and put away.

Kitchen Supervisor
